Photograph and Signature Certificate

This Photograph and Signature Certificate is to be completed in **English** by a Notary Public, an Attorney-at-Law or by two Senior Officer(s) of an internationally recognized bank, who must ask for evidence of identification (such as a passport or ID card). The Notary Public must certify the photograph to be a true likeness and the signature to be the true signature of the person whose details appear on this form. **One form for each person** (including children) is to be completed. For children who cannot sign yet, write "N/A" in the field "Specimen signature".

The certification should be made by signature and stamp or seal in Section B or on the reverse side of this form, in which case the following should be stated in Section B: "See certification on reverse side".

Please attach one photograph of yourself taken within the past 6 months in the box on the right. The photograph should be approximately 35 x 45 mm in size and must be attached to this form in a way that it **cannot be removed without tearing** the photograph or the form. Please ensure that the photograph complies with the requirements as specified on the main application form (see section D of main application form).
